# The Better Bagger™ Custom-Made Plastic Bags On-Demand

## Features

...produce the sizes and quantities you want,  
at lower cost and reduced inventory.

- Over 50%\* material cost savings versus ready made bags or bags on a roll
- Uses Poly tubing, from 2 mil to 8 mil
- Can run multiple roll capacity for higher efficiency (1 to 3 rolls)
- Roll diameter, up to Industry Standard 12 1/4" Poly tubing Roll
- Bag Sizes: From 2" to 9" wide and from 4" to 99" long

- Multiple rolls add speed and versatility

- Conventional transparent, colored or anti-static tubing can be used

- Easy to load, easy to operate

- Operator selectable Seal Temperature Dial – for 2 mil to 8 mil material
- Display with Operator Prompts shows pieces remaining as bags are made

- Simple Programmable Keypad

- Auto Seal Feature, for added flexibility

- Bag Factory Attachment, program for high volume
- Optional Catch Basket to collect bags and simplify transporting

\*Based on average poly tubing costs vs. poly-bag costs
