

# Better Packages Water-Activated Tape

## **BetterSeal Secure Tape**

**Improve Package Strength and Security with a Professional Carton Seal**

Better Packages offers a full line of BetterSeal Secure Tape, paper water-activated tape (WAT), designed to create a superior seal on your corrugated cartons. WAT offers advantages other carton sealing methods do not and is the preferred choice of packaging professionals when strength, security, recyclability and professional appearance are critical. A wide range of Reinforced and Kraft (non-reinforced) BetterSeal Secure Tape is available to accommodate all your carton sealing needs.

### **Strong**

- Unaffected by dirt, dust, oil, humidity or extreme temperatures
- Retains integrity if punctured
- Reinforced styles offer superior strength
- Decreases material waste—less is needed for a strong, indestructible seal
- Perfect for heavy, bulky packages

### **Professional**

- Ensures a neat, professional appearance
- Protects brand images with a precise, clean carton seal
- Can be preprinted with custom logos and messaging

### **Secure**

- Forms a permanent bond on cartons, paper envelopes and shippers
- Cannot be removed without damaging the carton which deters pilfering
- Adds another layer of tamper-evidence with imprinted dates, codes or security messages

### **Recyclable\***

- Uses renewable, plant-based adhesive
- Made from natural, biodegradable materials
- Paper tape is 100% eco-friendly

\*Fiberglass reinforcements are easily removed during repulping.

# Better Packages Water-Activated Tape

## Maximum Package Strength and Security

BetterSeal Secure Tape literally bonds with the corrugated carton. Once applied, it is impossible to remove BetterSeal Secure Tape without tearing the carton's surface, leaving a visible indication that the seal was broken.

### Tape Categories

**Non-Reinforced (Paper) Tape:** Non-reinforced tapes provide fast, permanent adhesion and security.

**Reinforced Tape:** Reinforced tapes provide durability and extra strength for heavier packages.

These tapes have fiberglass strands woven into the tape that give extra strength to the tape.

**BP E-Z Pull Tab Tape:** Same great tape but now has a pull tab for easier opening of the box.

BP E-Z Pull Tab Tape
