

Better Pack[®] PS2A

ELECTRONIC PRESSURE-SENSITIVE TAPE DISPENSER

Compact Precision

The PS2A is a compact precision table-top electronic pressure-sensitive tape (PST) dispenser that delivers pressure sensitive tape in pre-set lengths selected by the operator. It supports a wide variety of tapes including strapping tape, filament tape and masking tape. The PS2A dispenses and cuts the tape to the desired length with the push of a button or automatically after the previously dispensed tape is removed. It is ideal to optimize productivity in a manufacturing environment when different sized short length tapes are required.

Versatile and Easy to Use

- Color-coded, smooth-touch key pad for easy use
- Auto-repeat function that continuously cuts and dispenses tape to the pre-set lengths
- Adjustable core allows for 1" to 3" tape core sizes
- Centimeter (CM) and Millimeter (MM) keys for preferred measurement settings

Safe and Compact

- Small footprint for easy and portable placement in sub-assembly areas
- Heavy-duty, 5-foot electrical cord
- Grounded for enhanced safety
- Backed by the best industry warranty. 1 year parts and material; 6 months labor

Model #	Electrical Requirements	Preset Tape Length Range	Tape Width
PS2A	115v	20 mm - 999 mm	.25" to 2"
PS2A	220v	20 mm - 999 mm	.64 cm to 5.1 cm
